CERAMICS GO BEYOND TECHNOLOGY, MOVING FORWARD TO THE FUTURE.

Technology

Geogres leverages advanced machinery, precision glaze techniques, & imported granilla to deliver ceramics with unmatched consistency, strength, and performance.

Quality

Every tile undergoes rigorous testing to ensure long-term durability, flawless finishes, & premium material standards that exceed industry expectations.

Innovation

From Total Matt surfaces to unique textures, Geogres constantly pushes boundaries to create products that combine aesthetic appeal with functional advancements.

Design

Inspired by global trends, our designs blend elegance with versatility, offering timeless styles that elevate any space with refined visual impact.

HIGH RESISTANCE
TEXTURED SURFACE WITH
VIBRANT GRAPHICS.

Advanced Glaze Technique

The advanced glaze technique offers a breakthrough in aesthetics and durability, providing a superior surface.

Imported Granilla

This enhances the ambiance with its elegant luxurious look while providing long-lasting performance.

Total Matt Surface

Total Matt is where light pauses and texture takes the lead, crafting a surface that's felt as much as it's seen.

A SURFACE THAT DOESN'T
JUST COVER WALLS IT
CARVES CHARACTER INTO
EVERY CORNER.

Texture

Engineered with linear grooves that bring depth, dimension, and rhythm to flat surfaces perfect for transforming walls into focal points.

Premium Finish

Coated in a rich, anti glare matt glaze that softens the light and elevates the visual calm of a room making it ideal for both contemporary and minimal interior styles.

Application

Perfectly suited for vertical surfaces like living room walls, reception areas, and boutique spaces where subtle statement-making textures are needed without overwhelming the space.

Maintenance

Durable, scratch-resistant, and easy to maintain – crafted for everyday living without compromising on the look or feel of the surface over time.

A SINGLE MULTI-SPECIFIC SURFACE
FOR INDOOR AND OUTDOOR USE,
REPRESENTING A NEW
DEVELOPMENT IN CERAMICS.

Slip Resistance

Beyond safety, these surfaces also contribute to the durability and functionality of the space, as these are less likely to show signs of wear.

Resistance to Scratch

Boosted with exceptional scratch resistance to ensure that the surface remains pristine and unblemished even with frequent use.

Zero Bacterial Risk

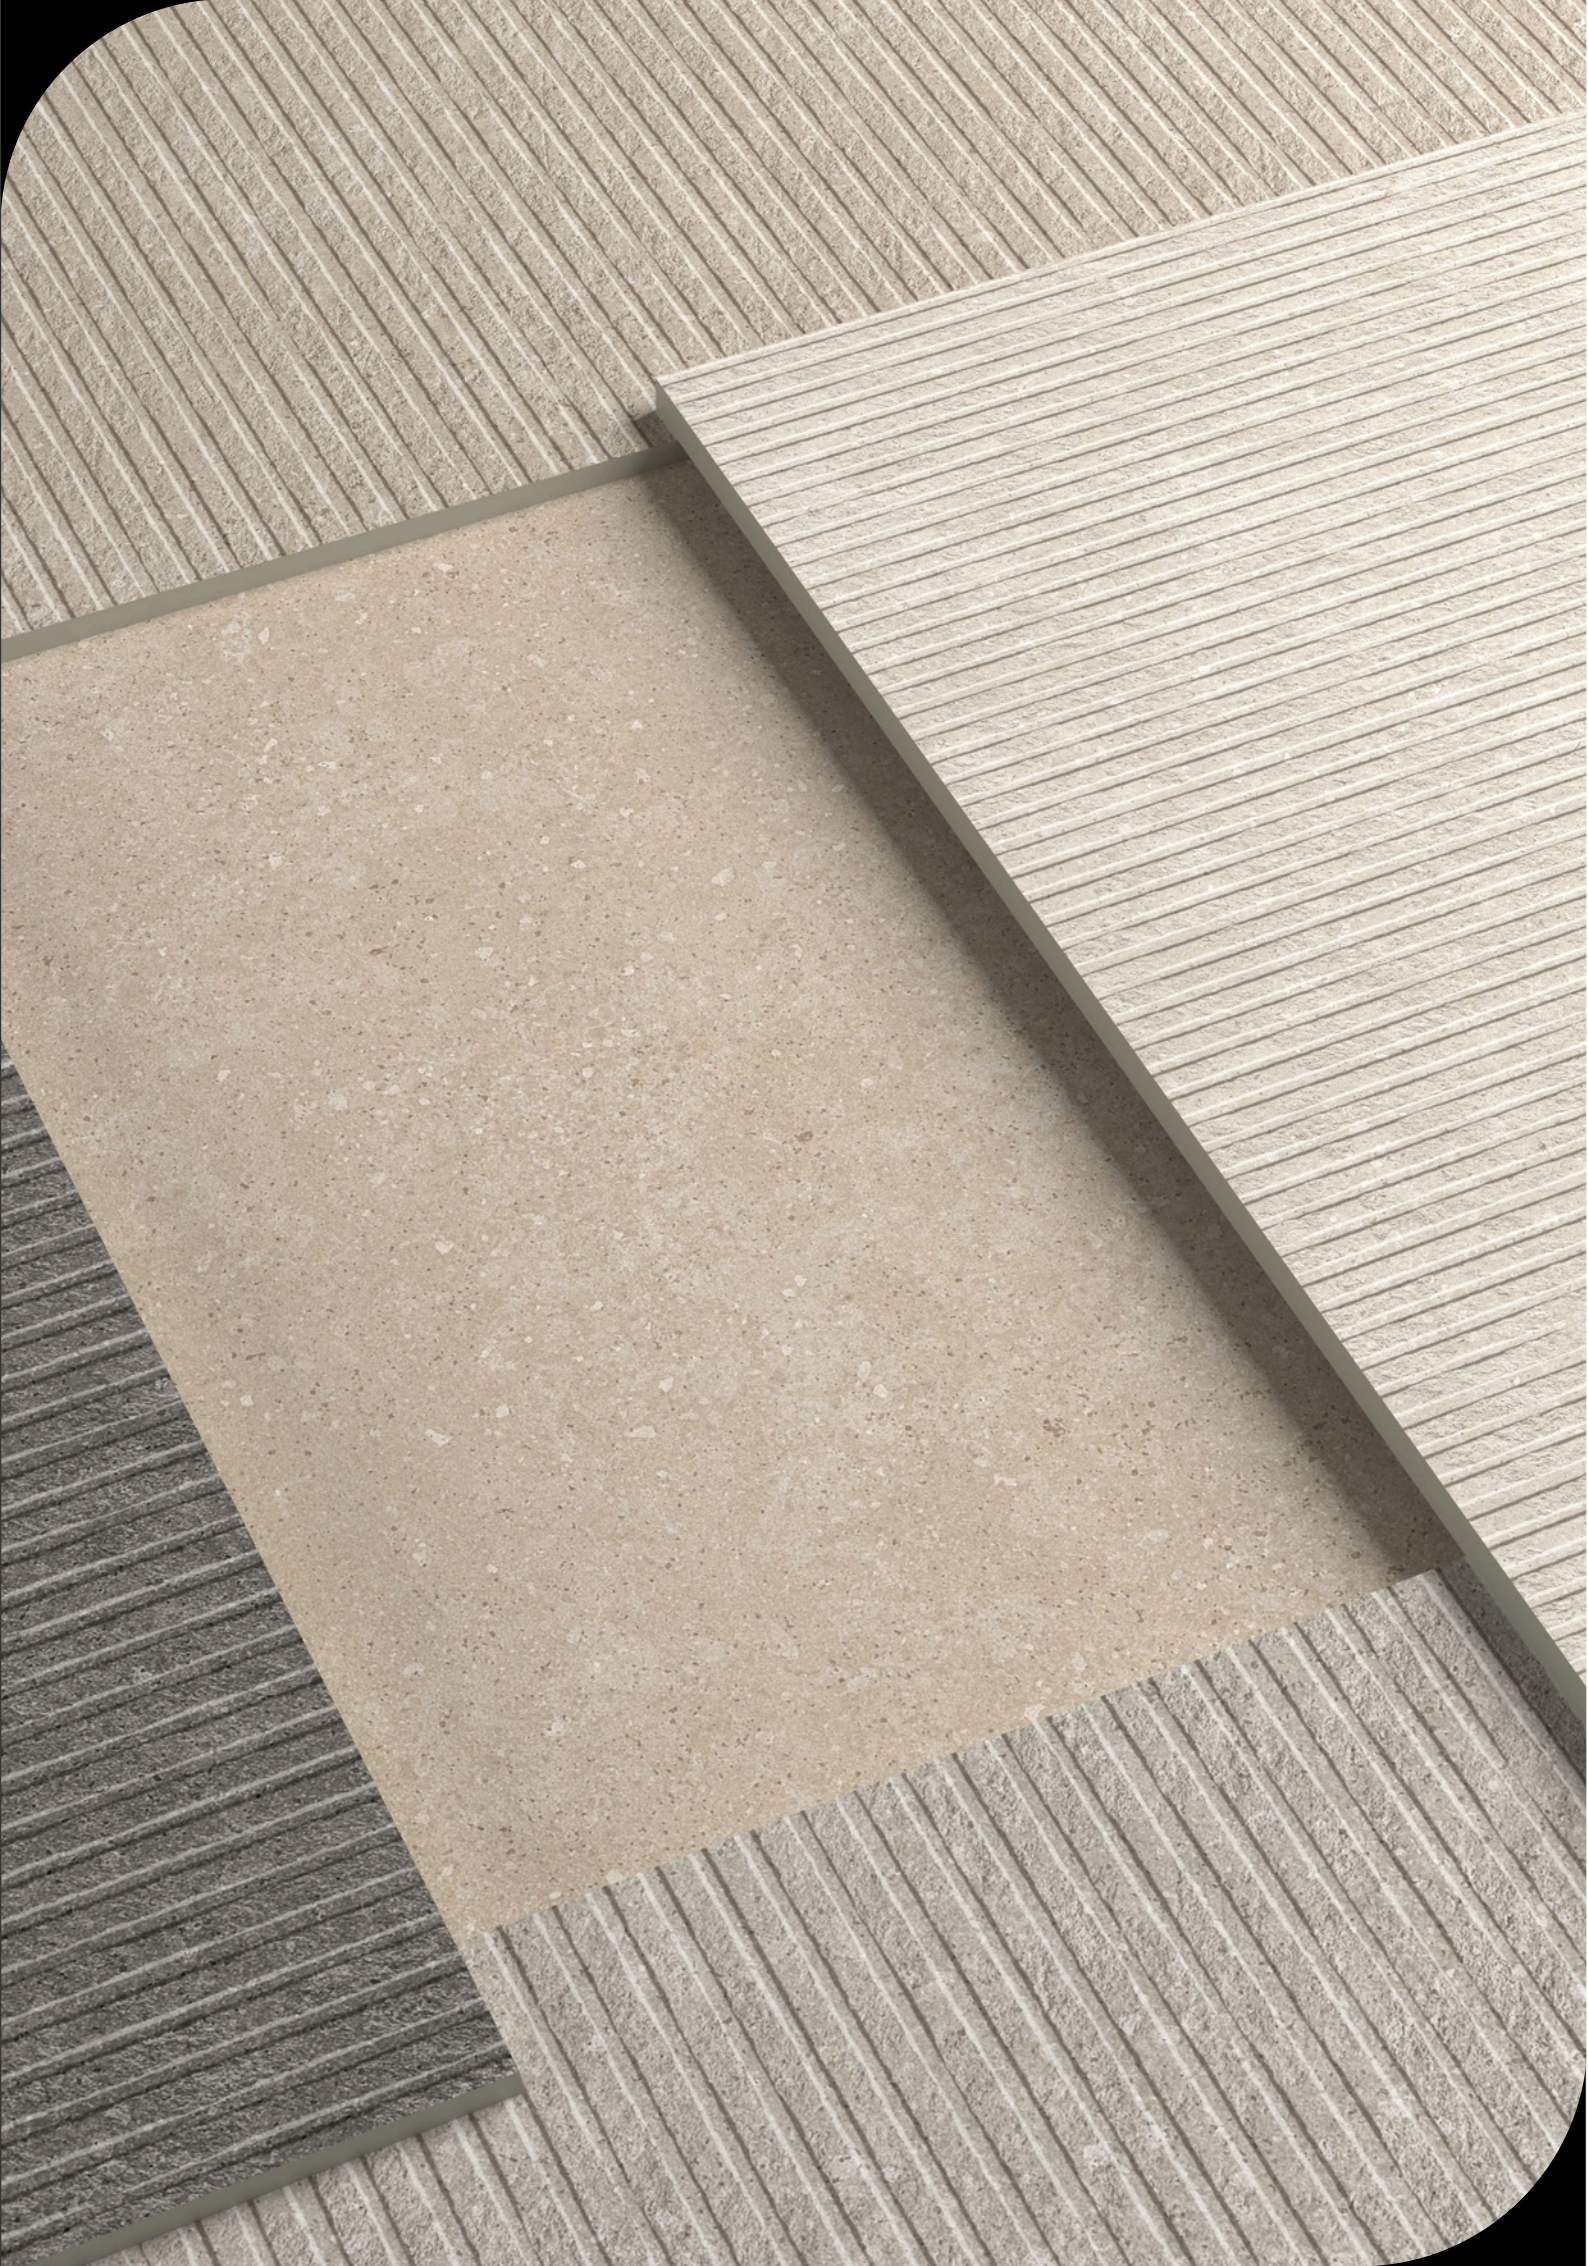

An advanced technology that helps to prevent the growth and spread of harmful bacteria.

Easy Cleaning

Nano-grit particles are very close together, creating no uneven surfaces where dirt could accumulate, to ensure easy cleaning and sanitisation

IMPERIO COLLECTION

A pure balance
between minimalism,
simplicity and elegance

BONE

Beyond safety, these surfaces also contribute to the durability and functionality of the space, as these are less likely to show signs of wear.

CREMA

An advanced technology that helps to prevent the growth and spread of harmful bacteria.

GREY

Boosted with exceptional scratch resistance to ensure that the surface remains pristine and unblemished even with frequent use.

NERO

Nano-grit particles are very close together, creating no uneven surfaces where dirt could accumulate, to ensure easy cleaning and sanitisation
