A NEW DIMENSION
TO YOUR SPACE.

DESIGNA
italian ceramic surface

Throughout our history, we have been in constant evolution, always striving to go beyond expectations. We don't just follow the path; we define it. Since 2007, we have overcome obstacles, reached new horizons, and continue advancing toward a future without barriers.

In each of our products, there is an unstoppable drive to create something superior, something that inspires and transforms. Every step we take is a building block toward what is to come, challenging the known, reinventing the possible, and taking excellence to new levels. We are committed to the idea that there is always something beyond, and we are ready to keep building the future.

MANHATTAN

COLLECTION

This tiles in the Manhattan Series offer a clean, grounded surface inspired by raw concrete and limestone. With subtle textures and urban tonal depth, these tiles become the foundation for architectural calm and design flexibility.

Engineered for large-format performance and refined for modern environments these surfaces let structure speak without shouting.

SHAPED REAL PRECISION BY GEOGRES

Our printing inks reach each and every part of the printed texture. The tiles are printed with absolute precision, carefully marrying the design with the corresponding texture to unparalleled technical effect.

There are no optical illusions. Everything is real. The printed veins coincide perfectly with the texture. Everything you have always longed for in ceramic tiles has now been achieved by Geogres.

THE LARGEST FORMAT WITH THE LATEST TECHNOLOGY

Can you imagine having the very same flooring with identical features in every single space of your project? Matt finish brings softness and anti slip treatment together. There is no need to choose any more. You can have it all in just one product.

Reliefs are created via digital technology perfectly coordinated with graphic printing to generate the most natural pieces ever seen in ceramic.

in this case in an eye-catching, elegant luminous shade of tile. Its vaporous appearance is perfect for more spacious settings, both indoors and out, while its brick texture adds a natural beauty and luxurious touch of sophistication
